<b>Schedule VII. Technical Specifications</b>	
<i>"We humbly request your guidance on how to demonstrate compliance with the above. Are there specific items the NPO TWG will be looking for on each component? Moreover, given that we will tailor the above to the specific requirements of the end(s), does presenting a proof of concept (POC) suffice, or will there be a need to showcase or demonstrate actual systems and solutions during the post-qualification activity?"</i>	<p>ensure conformity with the specified requirements.</p> <p>As for the Proof of Concept (PoC) submission, yes, it can indeed serve as part of your documentation. But again, depending on the evaluation criteria, there may be a need to showcase or demonstrate actual systems and solutions to fully satisfy the post-qualification requirements. More details will follow at that stage.</p>
